

# Garden in a Glove

**Step 1:** Get your supplies:

- 1 food service glove
- 5 cotton balls
- 5 seeds
- Water

**Step 2:** Open 1 food service glove.

**Step 3:** Place 1 cotton ball in each finger tip.

**Step 4:** Add 1 seed to each finger tip. Carefully place seed between the cotton ball and plastic

**Step 5:** Add enough water to make cotton balls moist, but do not fill with water.

**Step 6:** Tape in a window or place in another sunny area. Check cotton balls daily. Add just enough water to keep cotton moist.
